

Mihai Nemaciuc – Letter of recommendation

28th of May 2026

To whom it may concern,

I am writing this letter to highly recommend Mihai Nemaciuc for a vacancy within your company. Mihai worked for Archway Peterborough (England) from the 01/11/2022 till 31/01/2026 as a club practice partner (Sparrer) and outreach coach.

It was an absolute pleasure for us to employ Mihai. During his employment he was extremely hardworking, enthusiastic and always able to take initiative whilst making the job his own.

As a coach, he was very engaging with the children and was a real positive influence. Mihai was very good at communicating with both players and parents found easy to connect with them whilst building a strong rapport. He was also very well respected amongst his colleagues who enjoyed working alongside him.

I am confident that Mihai would succeed in whatever venture he chooses.

If you have any further question regarding Mihai, I will happily answer them.

Your sincerely,
Julian Tee
Club Chairman
